KEEPING YOU CONNECTED

The Play That Goes Wrong was the Night That Went Right!

Thank you to all Brigade members that joined the command performance of The Play That Goes Wrong at the Tacoma Little Theater.

Not only did we raise funds for MBCH, but we were able to showcase the rendering of the new hospital to community members. Brigade members informed theater patrons about who we are and what we do for children.

Thank you to Board Member, Gretchen Boyt, for facilitating our connection with TLT and entertaining us all!
